**July 2004**

Dear Member

An Apple Express meeting will be held this Saturday 10 July at The Edward Hotel at 2.30pm.

Lesley Lowe of the Apple Express Company will address the meeting. Lesley has been extremely active lately with meetings with Transnet authorities in an effort to get the train moving again. It seems that there has been a dramatic turn-around in the attitude of Spoornet who are now pushing to have all the relevant agreements signed as soon as possible. It looks like regular train trips could be running again soon.

Saturdays meeting is being held to gather as many people as possible, who are interested in the Apple Express, to swell the ranks of volunteers needed to man future trains. So bring along your friends.

Clive Fife

Secretary

Apple Express Association
