- REEFSTEAMERS HOLIDAY TRAINS -

NEW YEAR TRAIN to the NATAL SOUTH COAST (26 Dec. – 2 Jan.) Celebrate New Year in unique style in a steel-wheeled beach-front hotel !

Enjoy your Christmas Day at home and take a short ride to Germiston on Boxing Day. We will take you on a leisurely ride right through the night, much safer and certainly more relaxing than driving on the highway. You won't have to waste precious holiday time with stressful long distance driving.

Enjoy the cash bar (open 'til late) and the comfort of the lounge coach, or chill out in your compartment until the train's motion rocks you to sleep! The train will be hauled by electric locomotives to Kelso, and then our steam locomotive (subject to permission) will haul us down the coast to Port Shepstone.

You will wake up a firm stone's throw from the beach and a large, safe tidal pool. And when you get tired of the sun, surf and sand, we have various day tours available, using luxury busses. (The tours will be to your own account.) There is also golfing available, as well as deep sea fishing, shark cage diving, nature walks and a boat ride along the coast from Shelly Beach.

The ticket includes 7 Breakfasts, 6 suppers and a mid-day lunch on the return trip. All meals are buffet style with multiple courses.
